Community Renewal Society Lobby Day

On Tuesday, May 12 more than 600 people of faith from all over the Chicagoland area will take buses to Springfield to ask for justice: specifically for justice in education funding, to end the Injustice in our criminal justice system, and to end barriers to employment for people returning to society. Come get on the Oak Park bus with folks from Unity Temple, Third Unitarian and a host of others. Sign ups and more info at Coffee Hour.
