Community & Connections

As an inclusive spiritual community, Unity Temple Unitarian Universalist Congregation, is dedicated to embracing diverse people, ideas and philosophies, each contributing their unique perspective to our collective experience. Our values, actions, and resources create our thriving community. Together we are stewards of our relationships and shared ministries. We come together in a wide variety of adult, youth and multigenerational opportunities throughout the year to deepen in relationship with one another and enrich our community life. We hope you will join us!
